Panthers Defeat Bremen 34-13

NorthWood's ninth annual Homecoming proved to be another success. Many students participated in spirit week activities with great enthusiasm.

"Panthers Advertise For A Victory" was chosen as the theme. Each class decorated a float using this idea. The Freshman and Junior classes received awards for the hard work spent on their floats.

In spite of the rain, the Panthers had a 34-13 victory over Northern Lakes Conference rival Bremen.

It was also a very memorable night for Nancy Slagle as she was named the 1977 Homecoming Queen. Denise Mishler, the 1976 Queen, crowned the new queen.

Afterwards, the Student Council sponsored a dance featuring "Sky."

Panther Spirit Never Dies

Students at NorthWood displayed much enthusiasm and spirit this year.

Homecoming spirit week was a success and many students and teachers participated. Spirit was displayed by wearing glasses, styles from the Good Old 50's, kiddie clothes, backward clothing, and red and black clothing.

Sectional week consisted of hall decorations, baby contests, and very much spirit. Panther fans participated in hat day, clash day, dress up day, and of course, red and black day.

Pep sessions and skits were given throughout the year to fire-up students. Tim Flickinger, "Flick", aroused very much spirit from Panther fans with his famous dance.

Students and fans proved that "Panther Spirit Never Dies". This helped to lead the Panther teams on to many victories.

"Las Hermanas de los Pollos" Takes Honors

The largest crowd in its four-year history enjoyed the 1977 "Panthers on Parade." This event is sponsored by the music department and features acts by representatives of each class.

"Las Hermanas de los Pollos," a novelty act, was the best received performance at this year's show. This act included a soloist, piano and saxophone player and background singers. Lori Gross, Tracy Otto, Cathi Ward, Judy Grimm, and Jane VanDyke participated in this act. The music for this act was the unusual feature.

Other acts included a magician, barbershop quartet, and a variety of solos and ensembles. NorthWood's own Dawning Generation and Jazz Band added their talent to the evening's performances. All of the acts were enjoyed by the audience.

Pat Lavy Reigns as 1978 Sweetheart Queen

The evening of February 10 was an exciting and memorable evening for Senior Pat Lavy as she was crowned the 1978 Sweetheart Queen at the North-Wood-Wawasee Basketball game. Jill Metzler, the 1977 Sweetheart Queen presided at the coronation.

The other Queen candidates were Seniors Kris Miller and Diane Pippenger. Holly Slagle, Junior; Tammy Troyer, Sophomore; and Lona Kitts, Freshman served as attendants.

The Student Council followed the tradition of Valentine's Day by decorating the gymnasium with two huge hearts at each end of the basketball floor. Following the game, the student council sponsored a dance in the North Surge featuring "Easy Street."

Tena Weaver Named 1978 Junior Miss

After a year's absence the Junior Miss Pageant was again held. It was sponsored by the Nappanee and Wakarusa Jaycees. The contestants were judged on talent, poise, physical fitness, scholastic ability, appearance, and a personal interview with the judges.

Becky Hershberger and Carol Yoder received participant scholarships. Miss Congeniality was Kris Miller. Pat Lavy was named First Runner-Up and Tena Weaver was crowned the 1978 North-Wood Junior Miss.

SWAP Day (Swap With A Parent) was held on November 18 this year. Many parents and friends participated by exchanging places with a student. The "swappers" enjoyed the experience of going back to school.

Drama Club Presents Four-One Acts

On November 18 and 19, four one-acts were presented by the Drama Club. There were two serious and two funny plays. All of the acts were enjoyed by the audiences.

THE STORM and THE MAGIC SHOP were included in the first act. People who are afraid of snow storms were included in THE STORM. THE MAGIC SHOP included tricks and amazing feats.

The second act included: THE INTERVIEW and BETWEEN 11 AND THURSDAY—two funny plays. BETWEEN 11 AND THURSDAY was a play from the theatre of the absurd. Androids were the prominent characters in THE INTERVIEW.

The plays took a great amount of hard work and rehearsals. After Saturday night's presentation the cast and stage crew went to Shakeys for a party.

Drama Gives First Area Performance of Shenandoah

NorthWood High School's Drama Department began working hard in January for the spring production of "Shenandoah." "Shenandoah" was a very heart-touching story of an American family during the Civil War.

Charlie Anderson, a resident of Virginia and played by Ed Boyts, tried to keep his sons and family out of the Civil War. Gradually the Andersons became involved and Charlie's daughter-in-law and two of his sons are killed. This tragic event brings the Anderson Family closer together and to a clearer understanding of the purpose of the war.

The cast did an outstanding job and received standing ovations on all three nights. Charlie Anderson left a warm inspirational feeling with the cast, director and the audience.

Dreams Held at Amish Acres

Amish Acres provided a beautiful atmosphere for the 1978 Junior-Senior Prom, "Dreams." The excited couples met at Amish Acres for a delicious meal. Following the meal, the prom King and Queen were announced by Junior Class President, Dave Zercher. The couples returned to the high school for a formal dance held in the south surge where "Simon Genesis" provided the music. Couples also enjoyed the movie, "The Sting."

The prom ended at 1:00 a.m. and couples returned for the after-prom activities which began at 2:00 a.m. Activities consisted of bowling and the movie "Murder by Death." Many ended the weekend activities by spending Sunday at the Michigan Warren Dunes.

Fifty-four Hoosier Scholars Named

The Senior Awards Night was held on May 19. Many different awards were presented to members of the senior class.

Service awards and recognition were presented by Mr. Keppler. This included recognition of class officers, student council members, senior executive council, and guidance and office assistants. Mr. Wesolek announced the names of those students who had perfect attendance for four years and for the senior year.

Those students who had a 3.5 grade point average or better were also honored. These students received honor cords to wear at graduation. A record number of students, 54, were named Hoosier Scholars by the Indiana State Scholarship Commission.

Each department at school gave an award to deserving senior or seniors. Many local scholarships were also presented.

KNOWLEDGE

Students Experiment With Problems

Classes in the Math department began with Algebra where students learned to find the variables in equations. In Geometry students solved problems about geometric shapes and proofs. Seniors took such classes as Math IV and Analytical Geometry.

The experiments in Chemistry I and II helped to train the student's mind in the scientific approach to problems.

Physics students examined the physical aspects of nature, optics, and electrical properties of matter and atoms.

While Biology I worked on collections and experiments, advanced science classes studied hard to learn formulas, facts, and terms.

Students Become Socially Aware of Surroundings

Students at NorthWood High School have a choice of two foreign languages. It is possible to take both German and Spanish for four years. The Spanish classes listened to tapes to aid in their learning of the Spanish language. Advanced German students used their knowledge of German to make a movie.

Students are required to take several courses in Social Studies. Freshmen are required to take Civics, juniors take U.S. History, and seniors must take economics and government. Electives in social studies are world history, psychology and sociology. Social Studies help students become aware of what is happening in the world around them.

Students Gain Basic Business Experience

Many students from NorthWood attended the Elkhart Area Career Center. Students could attend the career center either one or two years depending upon the course that they took. Students going to the career center learned job skills and were prepared for a job in their field immediately after graduation.

The business department managed to keep up with the ever increasing demand for business education. Duplicating machines and calculators gave potential secretaries insight into the adult business world; while tapes helped others increase dictation speed. Contrary to popular beliefs, business work consisted of more than punching keys and taking shorthand notes, it was a learning experience for everyone.

NorthWood Bands Have a Successful Year

Beginning with Band Camp in August the NorthWood bands have been on the go. The Marching Band performed at each home football game and participated in Marching Band Contest. Concert season started with a combined concert with the choir. Many instrumentalists entered solo and ensemble contest.

For Soundsations, the Jazz Band was much in demand. They performed at various organizations in the community. They also went to the Ball State University Jazz Festival and were an Honor Band at the Indiana State University Jazz Festival.

Practice Is Vital for a Proficient Choir

Under the direction of Mrs. Rick Coffin the high school choirs presented outstanding performances throughout the year. The four choirs presented their talents in giving the annual Christmas concert. This year the Christmas concert was combined with the bands and they finished with the Alleluia Chorus. In May, the choirs' spring concert was centered around hope for the future. Many individuals and ensembles won first place in the district and state solo and ensemble contest.

The Dawning Generation kept a busy schedule this year. Besides singing in many churches and area clubs, they had the privilege to travel to Florida over spring break and sing at many famous tourist attractions including Sea World and Cypress Gardens.

Classes Aid in Advancing Knowledge

The Industrial Arts departments at NorthWood offers a large variety of classes. Classes such as Woodworking, Electronics, Architectural Drawing I and Building Trades all help give basic knowledge to the students in that particular area. Students participating in advanced classes learn many things which will enable them to get a better job after graduation. Basic courses teach students things that are handy to know in everyday life.

Four years of Vocational Agriculture are offered at NorthWood High School. In the first three years students study raising animals, agriculture production and growing crops. The fourth year agriculture students learn about farm management, farm laws and farm finance. Students taking Vocational Agriculture are prepared to enter many fields in agriculture.

English Department Offers Many Different Courses

Working from the students' basic education in the fundamentals to grammar, the English curriculum emphasized creative writing, in-depth reading, and the analyses of great literary works. Each class was free to pursue its own particular interests and class projects supplemented by films, magazines, paperbacks, and individual student reports. Through their experiences students gained a greater understanding of our literary heritage.

Some of the films that were seen in the English Department this year were "To Kill A Mockingbird," "Julius Caesar," and "Huckleberry Finn."

Students Use Energy Through Varied Exercises

Physical Education is an important part of a student's education. All freshmen are required to take physical education during their freshman year. Sophomores, juniors and seniors may take advanced classes. Physical education offers participation in a large variety of sports. It gives the students a chance to participate in not only team sports but also individual sports. This year the freshmen got a first-hand look at self-defense. Mrs. Peg Hooley from the Elkhart Police Department gave them instructions on how to defend themselves.

Students who are fifteen or older may take driver's training. It teaches the student the correct way to operate an automobile. Driver's training is an important course for anyone who plans to drive a car.

Art Becomes a Means of Self-expression

Students developed abilities in sketching, drawing, painting, crafts and graphic arts. Different techniques in various media were explored with emphasis on self-discipline in application to attain creative expressions. Advanced art students had a choice in taking Crafts, Jewelry, Commercial Art, and Textiles.

Home Economics at NorthWood is much more than just cooking and sewing. Freshmen may study consumer education and interpersonal relationships. The more advanced Home Economics students may take Foods I and II, Clothing I and Child Development. They may also take Creative Clothing, Creative Cooking, Housing, and Marriage and Family Living. Home Economics help students learn about their environment, and how to get along with other people.

Gridders Set New Records

The 1977 season was one of ups and downs as the Panthers posted a 5-5 record. Beginning with the Homecoming game, the Panthers had a four game winning streak. The Panthers seemed to win in adverse conditions, as they won three out of four games in bad weather.

Junior Pat Parks was named MVP for the 1977 season. Members named to the NLC first team were: Shawn Blosser, Brad Gross, Pat Parks, and Denny Stouder.

The Panthers had a record breaking season. They broke the records in most total yards rushing, 2261; most interceptions, 16; and total yards gained, 2831.

The Freshman team was coached by Gene Zercher and Jim Snider. Their record was 3-5.

Spikers NLC Co-Champs

The 1977 Panther Varsity Volleyball team posted a 12-5 record and spiked their way to a 6-1 record in the Northern Lakes Conference. Their conference record ties them for the Conference Co-Championship with Concord.

The team members voted Ann Garl the Most Valuable Player and Captain of the team. Kathy Eby was awarded the Mental Attitude Award and Jo Klotz the high server. Ann Garl was also chosen for the NLC first team. Kim Buzzard was chosen for the second team and Jo Klotz was given honorable mention.

The B-Team recorded a 12-4 record. First year coach Joyce Neumann directed the varsity and Sara Biltz coached the B-Team and Freshman Team.

Harriers Run to First Undeclared Season

For the first time in NorthWood's existence the X-Country team went undefeated. The harriers recorded a clean 12-0 record.

The Black Pack defended their title as Covington Catholic Invitational Champions in Kentucky and regained the NLC crown. In the Elkhart Sectional they finished fourth losing their bid for the regional.

Mike McMurray earned an individual trip to the regional by placing eighth in the sectional. Mike was also the individual champion in the NLC varsity meet.

The Junior Varsity also had an undefeated record. Randy Rohrer was the NLC Junior Varsity individual champion.

Panther Basketballers Have Many Close Games

The Panthers finished an exciting season with ten wins and twelve losses. Twelve ballgames were decided by two points or less. There was a sectional thriller which was won against Penn by one point. This was only the second time in the school's history that NorthWood had won a sectional game. The team's conference record was two wins and five losses. One of the wins was over Warsaw which was the first time in the school's history.

This year's Most Valuable Player award went to Senior Kim Borgman. Mental Attitude Award was given to Senior Denny Mast. The Junior Varsity finished their season with a 12-8 record.

Many Drama Club members spent weeks of hard work and preparation for the fall production, DRAMA TIMES FOUR, and the spring production, SHE-NANDOAH.

In order to make these two productions a success, active members worked on various committees or crews to carry out all of the preparation and backstage work that was required. The more talented members also auditioned for and received parts in the plays, enabling them to display their creativity and abilities.

According to the number of hours attributed by a student to his work in drama, a student can be initiated into the International Thespian Society. This group of higher achievers presented a third production, THE NIGHT OF JANUARY 16TH in early June. The profits from this play were used for the theatre study trip to New York City.

Sponsored and organized by the Y-Teens, Saturday's Child proved to be a successful and worthwhile activity. Children from grades 1-6 could enroll in various classes which were taught by NW students. The classes were held on Saturday mornings from 8:00-11:00 and lasted for 6 weeks.

One of the main highlights for the club was sponsoring a turn-around disco dance. For a change of pace, girls could ask the guys to this dance.

Other activities included a get-acquainted slumber party, and selling doughnuts and juice on Wednesday mornings before school started. Profits from these activities were placed in the fund to buy a new video tape machine for the school.

The students and faculty showed their appreciation for the Campus Life group "Under New Management" by giving them a standing ovation and demanding an encore. Sponsored by the Student Council, the group performed various popular and rock musical numbers, as well as presenting a message of their own. Another convocation was a gymnastics presentation by Maureen Currant and George Hery. They performed various stunts on the trampoline and other tumbling acts.

Other activities of the Student Council included planning and organizing Swap Day and Career Day. Homecoming and Sweetheart festivities were also planned and carried out by Council members, as well as class officer, student council, and cheerleading elections.

NHS Members Speak at Induction Meeting

National Honor Society increased its membership by inducting several new members who were chosen by the faculty. At the induction meeting, already existing members gave speeches on the four points: scholarship, leadership, character, and service. These are the areas on which membership in the society is based.

Members of the Gun Club were able to practice their skills shooting trap. On various occasions, the club met at The Elkhart Gun Club to practice.

Mat Maids gave their assistance to the coaches and wrestlers by performing various duties for the team. They kept stat books and scores, collected tickets, and gave the team members support.

This year the girl's and boy's Fellowship of Christian Athletes were combined. Thursday morning prayer breakfasts were meaningful and enjoyable experiences for FCA members. During the Christmas season, members rang bells for the Salvation Army and went caroling.

Cheerleaders Keep Panther Spirit Alive

Throughout the year, the cheerleaders kept up the spirit and enthusiasm of the Panther fans. They decorated the halls with posters and led the students in "Spirit Days" before the Homecoming and sectional games. At pep sessions and at the Homecoming Bonfire, the cheerleaders presented various skits and songs.

During the summer, the varsity and Junior varsity cheerleaders attended a camp at Ball State University. They won many ribbons and were awarded a spirit stick.

The cheerleaders also participated at the county fair where they competed against other squads. It gave them a chance to observe other school's techniques and styles which helped them bring new methods of cheerleading to North Wood.

Pep Clubs Display Enthusiasm

The Boy's and Girl's Pep Clubs performed an excellent job backing the Panthers throughout the football and basketball seasons. Their enthusiasm, loyalty, and invigorating spirit caused them to be held in high esteem by surrounding schools. NorthWood was proud to have one of the best organized pep clubs at the sectional. Many times they lifted dampened spirits and brought life back to the team by displaying their vigorous actions. Building pyramids became a favorite feat to perform, along with chants and songs.

The Pep Band faithfully did their job by playing the National Anthem and firing up the Pep Clubs. They also accompanied the dancing Panther while he performed his show.

Spanish Club Tours Spain

The Spanish Club enjoyed two memorable trips this year. During the summer of 1977, members traveled to Spain. A sausage and cheese sale helped to finance the trip. They visited Madrid and a highlight of the trip was having their hotel on the Mediterranean Sea.

Over spring vacation, several members were privileged to take a trip to Mexico. Acapulco was a main attraction for the members.

The Future Homemakers of America at NorthWood were kept active with an increased number in its membership from last year. The club hosted many parties, entertaining invited guests as well as the members. NorthWood was represented at state and district meetings by certain qualified members.

NorthWood's Future Farmers of America spent many hours at dairy and livestock judgments. They competed with area schools in using their skills to judge the animals. A slave auction was held which auctioned off the members to work for their buyers.

Campus Life Shares Many Good Times

Campus Life started off their year with the famous "Fat Albert Sundae." They also hit it off with an all-night party and a seminar with Miss U.S.A. These activities helped to get the students started toward a successful year.

Campus Life met every Monday night in student's homes and it was open to anyone who cared to join the fun. During the year, the students got involved in discussions about friends, families, dating, marriage, and anything else that was on their minds.

Over spring vacation, the students enjoyed a trip to Florida where they visited Disney World and spent many hours on the beaches. During the summer, a group of students went to Colombia, South America to help build and organize a young camp.

Travel Club Visits the Big Apple

During the year, many students gave assistance to the offices and library by performing various jobs. In the offices, the girls answered the telephone and took and delivered messages. The girls who worked in the library became familiar with the layout of the library and aided many students in obtaining information.

Seeing Yul Brynner perform in "The King and I" was one of the highlights for the New York Travel Club. They were also fortunate to see one of the last performances at Radio City Music Hall which featured the Rockettes and a preview showing of "Pete's Dragon."

Other highlights of the trip included visiting the stock exchange, the Statue of Liberty, and the World Trade Center.

Many Long Hours Spent on Yearbook

Under the direction of Mr. Lehman, advisor, and Jo McElheny, editor, the yearbook staff members put together the 1978 LOGUE. Each member was assigned to a special section of the yearbook or a job related with it and responsible for that task.

During the summer of 1977, Jo McElheny and Lynette Miller, junior editor, attended a yearbook conference in Morehead, Kentucky. At the conference, they were given tips on a successful yearbook and they began planning the LOGUE. They were awarded first prize for the best theme development. In September, nine staff members attended a workshop for division editors at Notre Dame.

Despite the hard work and long hours spent on the yearbook, the staff enjoyed many rewarding experiences and memorable events.

COMPANIONS

Concerned . . . Responsibilities . . . Understanding

Normal operations continued at NorthWood when Michael Keppler became the new principal. Ted Wesolek continued with the job of Assistant Principal.

The administrative secretaries kept very busy with the endless records and other secretarial duties that are a part of their job.

There was a change among the Superintendents, too. William E. Dorsey replaced James O. Weddle as Superintendent and Jerry Lelle took the job of Assistant Superintendent. The superintendents and the School Board were busy throughout the year with the usual financial and administrative problems. In addition they conducted a survey of the school community concerning the community's feelings about the schools.

There was also a new school nurse, Susan Snider. Between taking care of students and loads of paper work, she was busily occupied.

Seniors . . . Nineteen Seventy-eight . . . Mature

By the middle of April, the seniors were ready for May twenty-first. All of them were anxious to get out once and for all. Between trying to pass government and economics, they were very busy.

The Seniors had great spirit throughout the year. The senior class planned the after prom. At the end of the year, most of the seniors had already decided what they were going to do when they graduated. The Seniors were counting the days up until the very end, but still a little sad knowing that this would be the last year as a class together.

WAKARUSA MEDICAL CLINIC

Juniors . . . Nineteen-seventy-nine . . . Creative

EXECUTIVE COUNCIL. Row 1: J. Frantz, T. Wegmiller, B. Deardorff, K. Truex. Row 2: D. Johnson, C. Popowzak, C. Anglemeyer, S. Smith.

The Juniors had an exciting year. Trying to keep up in history and their outside reading assignments consumed a lot of their time. The magazine sales proved to be super. For the first time a Junior Class passed \$20,000 in sales.

Many of them went to state contests for instrumental and vocal music. The Athletic Department proved to be great, too.

They received awards for best homecoming float and the best decorated hall during spirit week.

They also had an elaborate prom at Amish Acres. Their theme was "Dreams."

In all, the Juniors had a fantastic year.

TOP. Dave Rummel and Rick Pearson occupying free time.

ABOVE. Drex Gall and Dave Johnson show Don Bennett where to put trash.

LEFT. JUNIOR CLASS OFFICERS: Lynette Miller, Kelly George, Dave Zercher.

Sophomores . . . Nineteen Eighty . . . Fascinating

The Sophomores, with one more year of experience, started an enthusiastic second year. This was the year of the Biology insect collection, the excitement of that first driver's license, and the fun of ordering class rings.

The Sophomore year also marked the beginning of more involvement in athletics, drama, and music as each student began to concentrate in certain areas of interest.

As the year drew to a close many in the class began to look toward the Junior year and the challenge of magazine sales to support the junior and senior activities.

Freshmen . . . Nineteen Eighty-One . . . Friendly

FRESHMAN EXECUTIVE COUNCIL. Row 1: F. Charles, K. Heckaman, T. Richmond. Row 2: S. Beck, D. McCuen, A. Price, L. Wesolek, B. Elliott. Row 3: J. Dorsey, T. Miller, D. Housour, M. Schrock.

The Freshmen, with the struggle of combining the interest and efforts of the Nappanee and Wakaruse Middle Schools behind them, learned to adapt quickly to NorthWood life. As the year progressed some of them became interested in participating in drama, athletics, and music as well as taking an interest in Student Council and Clubs.

As the year drew to a close many of them began to think about their three remaining years at NorthWood, by planning their course schedules and deciding what activities they wanted to continue.

BELOW, FRESHMEN CLASS OFFICERS. P. George, K. Heckaman, B. BeMiller. **BOTTOM.** As you can tell by the expressions, the Freshman Algebra class is working hard. **OPPOSITE PAGE BOTTOM.** Tammy Troyer, Sherry Burkholder, and Lynn Brown cheer the Panthers to a victory.

Teachers . . . Love to Assign Homework . . . Boring

Four faculty members were new to NorthWood this year. James Snider and Gail Neeley joined the Business Department to replace Sue Miller and Roger Troyer. In the English Department Charlotte Mason replaced Marsha Caldwell and in the Music Department Adrian Mark took over the duties of instrumental music replacing Steve Eslinger.

At NorthWood teaching is much more than spending six hours a day in a classroom. Many teachers spent additional hours helping students through coaching athletic teams, sponsoring clubs, and directing concerts. Teachers also showed their support and interest in students by attending many activities in which students participated.

TOP. As Mr. Copeland enters the office, he has time for a friendly smile.
BOTTOM RIGHT. Mr. Mark confirms important dates for the music department.
BOTTOM CENTER. Mr. Allen is strenuously watching over the study hall.
ABOVE. A big smile from Miss Neely as she teaches her General Business class.

Useful, giving, and efficient sums up what the cooks, custodians, and bus drivers did this year.

The cooks were always trying to serve something good for lunch and probably the favorite among the students was pizza.

The custodians had a tough time trying to keep up with the messes that somehow seemed to happen during the year.

The bus drivers had a rough time this winter. The "Blizzard of '78" made it a real challenge to keep the buses rolling.

TOP LEFT. NORTHWOOD CUSTODIANS. R. Keiser, E. Yoder, D. Stouder, N. Plank.
TOP. Nick Plank tried to keep warm during the coal strike.

ABOVE. Peg Johnston had to wrestle with the wrestling uniforms in the laundry room.

Graduation Held on May Twenty-first

Baccalaureate and Commencement exercises were held on May 21. The class chose as their Motto: "I find the great thing in this world is not so much where we stand, as in what direction we are moving." The class colors were sky blue and yellow and the rose was chosen as the class flower.

The senior band and choir members were featured in the numbers which they performed. The choir presented "Gloria in Excelsis" and "Sometimes." The band performed "MacArthur Park."

For the second year members of the class gave the graduation speeches. Tena Weaver gave her speech on "The Formula of Life." "Integrity vs. Despair" was the title of Mike Thomas's speech.

After everyone had received diplomas the class was presented to the audience and became the Graduates of 1978 and left the NorthWood gymnasium for the last time in their high school careers.

For Yesterday
is but a dream
and tomorrow
is only a vision,
but today
well lived
makes yesterday a
dream of happiness
and every tomorrow
a vision of hope

When I came to this school four years ago, I never dreamed that I would be editor of the LOGUE. It was a long and difficult struggle but there were many pleasing moments. Trying to organize the LOGUE is not an easy task and it takes many individual units to make a yearbook a true success.

I would like to thank Bud Miner's Studio for furnishing our camera, film, and finished photographs. His excellent work and patience made the LOGUE look even better.

A yearbook needs a staff and this year's staff is very special to me. Included in these people was Nancy Slagle. She was the assistant editor this year. She helped me with many things. The names of the other people are too numerous to mention but I would like to thank them for the extra time and effort they spent on their sections. These people made sure that their sections would make each deadline.

A very special thank-you goes to Mr. Phil Lehman. This was his first year as the advisor. I know that he learned many things this year, and I feel that he also did an excellent job. I really don't know what I would have done without his support and patience.

I hope that those who read this yearbook will appreciate the time and effort that was put into it. I would like to thank everyone for the fun and memorable times I had in high school.

Thanks to all,

Jo McElheny

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–2000) and is projected to increase by a further 1.5 million by 2020 (Office of National Statistics 2001).

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (2000) has published a strategy for ageing, which sets out the government's commitment to improve the health and quality of life of older people. The strategy is based on the following principles: (1) to ensure that older people have the opportunity to live independently and actively; (2) to ensure that older people have access to the services and resources they need; and (3) to ensure that older people are treated with respect and dignity.
